A MONEY MAKER IN HARD TIMES.

I have for the past five years had a pretty hard struggle to make a living, but about three months ago I began selling Self-Heating Flatirons and have made from \$4 to \$5 every day, which I think is pretty good for an inexperienced woman. My brother is now selling irons and makes more money than I do, but he has sold other things and is more experienced. The iron is self-heating, so it is the proper heat all the time; and you can iron in half the time you commonly do and have the clothes much nicer. You can iron out under a tree or in a cool place, and one cent's worth of benzine will do an ordinary ironing, so you save the price of the iron in fuel in a few weeks. By addressing W. H. Baird & Co., Station A, Pittsburg, Pa., you can get full particulars and I know any one can do splendidly anywhere. We sell at nearly every house, and every woman that irons once with a Self-Heating Iron will have one, as it saves so much labor and does so much better work.

BEWARE OF OINTMENTS FOR CATARRH THAT CONTAIN MERCURY.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists, price 75c. per bottle.
